

**The education system in North Cyprus consists of several stages of training:**

- 1. Preschool. Kindergartens and pre-school tutoring for children aged 4 to 6 years.**
- 2. Primary. Secondary school. Education free and compulsory. Taught mainly in the Turkish language, second language - English (in addition you can take German). Divided into two phases - for the children aged 7 to 12 years, and second - for children aged 13 to 15 years.**
- 3. Secondary education. Three-year courses - private schools, colleges, high schools. Aimed at children aged 16 to 18 years. The majority of Cypriots are limited to obtaining this type of education.**
- 4. Higher Education. North Cyprus is presented, and enables him to get into universities, which are trained according to European standards:**

***Eastern Mediterranean University.*** Eastern Mediterranean University was established in 1979 and is now the largest in the Mediterranean region. Trained more than 14,000 students. Teachers 1000. 84 disciplines. European urovnya.Obrazovanie the hostel, which is quoted throughout the world for a reasonable fee! Applicants do not speak English are transferred to semi-preparatory courses. English - Certificate of Cambridge University. The university has a graduate diploma status mezhdunarodnogo.Dlya single European model. The University is located in the town of Famagusta.
